

BE A PROUD SPONSOR

Newport
Elementary

JOGATHON
2021

Goal: Students/families have 1 week to walk, run or bike on the boardwalk and track miles. Students will collect pledges for miles completed.

Raise \$20,000+ through sponsors and pledges

Newport Elementary School's traditional annual Jog-A-Thon event has been transformed this year due to COVID-19 restrictions. We have are holding a Virtual Jog-A-Thon in hopes to raise funds for key school programs along with promoting physical health, mental health, community building, and creating a sense of normalcy for our students and families. We would be honored to have you participate and support Newport Elementary by contributing to this event.

With all our traditional events being canceled this year the Jog-a-thon event will serve as our only key school-wide fundraising initiative. We realize that COVID-19 has created economic challenges across all levels, and we appreciate any donations to help provide support and enrich the education of Newport EI students.

Your Contribution to Jog-A-Thon this year directly helps the Newport EI Foundation (which is funded by the Jog-A-Thon) provide our students with access to:

- Additional teachers for small group instruction
- Reinstatement of Formal Art Instruction for 2021-2022
- Collaboratory – STEM Lab & Makerspace

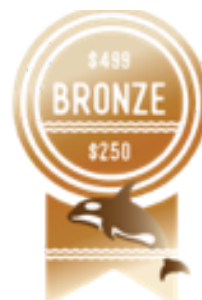

Please complete the sponsorship form attached and return today stephanie92832@yahoo.com
